

Govans Elementary

Dragons After Dismissal

An After School Initiative of the Baltimore Curriculum Project

STEM Instructors

Govans Elementary School After School Program

Requirements:

- Valid Teaching Certificate
- Work from 2:30-4:30pm Monday through Thursday for the duration of the program
(Dates TBD, totaling 105days)

Compensation: \$32/hr

Job duties to include, but not limited to:

- Maintain responsibility for one age-level class of 18-20 students
- Pick up students at 2:30pm from cafeteria and bring to STEM classroom
- Oversee 30 minutes of homework time per day
- Provide one hour of STEM instruction per day, using curriculum provided by LET'S GO Boys and Girls
 - Work with the Program Director and LET'S GO staff to ensure lessons are prepared and delivered effectively
 - Engage students with the curriculum and aid in making progress towards STEM academic objectives
 - Contribute to special projects/events once per quarter: STEM Showcases
- Facilitate classroom clean up and ensure day school classroom space/materials are minimally disturbed from after school
- Report behavior issues as needed to Program Director
- Dismiss and as needed escort students to enrichment activities at 4:15pm
- Involve volunteers (from local colleges and/or surrounding community) in homework and STEM activities as needed
- Participate in ten staff trainings throughout the year and monthly afterschool program staff meetings
- If Program Director is absent work with Office Monitor during transition times and for reporting and recording staff/student injury or incidents
- Provide Program Director at least two weeks notice of any absences via email

NOTE: The availability of this position is dependent upon a pending grant award.
